**DONATE OR  
VOLUNTEER**

MAKE A DIFFERENCE

# YOUR DONATION CAN MAKE A DIFFERENCE IN THE LIVES OF THOSE LIVING WITH ALZHEIMER'S DISEASE AND/OR DEMENTIA.

## DONOR PHILOSOPHY

Donors are the lifeline of Memory Matters. We rely on donations to support broad brain health education for all and to care for families living with cognitive impairment.

We demonstrate our passion through our actions:

- We make personal commitments before asking others
- We are transparent about our needs
- We regularly share our effectiveness
- We respect and thank all supporters
- We utilize gifts wisely and as intended
- We cultivate corporate supporters and avoid exclusive relationships

## TRANSPARENCY

At Memory Matters, we work diligently to ensure long-term sustainability. We balance funding among program fees, individual donations, corporate gifts, educational and special events proceeds, and grants.

As a IRS designated 501(c)3 charity, Memory Matters is accountable for all revenues and expenditures reported.

86%

of our donations go directly to our programs and services.

10%

of our expenses go towards administrative costs.

86%

of our funding comes from donations, grants, & events.

## HOW TO DONATE

Donations can be given monetarily, by mail, in-person, online, or through our various fundraising events.

Staff is also always thankful for your time. Volunteers are always needed to assist in a variety of areas. Call Memory Matters to find out how you can volunteer at 843-842-6688.
